# *A Message from Pastor Alex*

*(Pastor's report for 2016)*

It was another wonderful year of doing God's work here at St. John's Lutheran Church, and I give thanks to our Lord for continuing to help me lead this faithful and faith-filled congregation. As I reflect on my ministry over the past 12 months, I am not only amazed by the fact that I have now been the pastor of St. John's for three and a half years (and what a blessing it has been!), but more importantly, I am very grateful for all of you and for what we accomplished as a church together in 2016.

One of the things that make St. John's such a special place is that we are more than just the beautiful church with the "Open Sundays" sign. Yes, we are a community of faith, but we are also a church family. We worship together, pray together, eat together, serve together, celebrate and grieve together, study scripture together, "paint & sip" together – the list goes on and on. Whether it's our weekly "Bread, Bowl, and Bible" gatherings during Lent, our summer Bible studies, or simply an afternoon at the bowling alley, the fellowship that we share is something that I deeply cherish, an ever-present reminder of our bond as brothers and sisters in the one body of Christ.

Part of our mission statement says that, "we, through faith, commit ourselves in all we do to reach out and share God's unconditional love". 2016 was certainly no different, and with the help of God we were able to serve our neighbors both near and far. As a church together...

- We raised about \$4300 at our annual Harvest Festival with half of the proceeds going to local charities and organizations.
- We held another successful Vacation Bible School program in August for 20 children. This year the kids went on a "Deep Sea Discovery" where they learned that God is with them wherever they go!
- We participated again the ELCA day of service. This year we put together gift bags for all the officers in the Lynbrook Police Department as both a thank you for their service and a tribute to those lost on 9/11 including first responders.
- We tried some new things like the Advent Tree for the ELCA Good Gifts program. Over \$1,000 in donations were collected and that was in addition to the 76 Christmas gifts that were donated for our annual Giving Tree! We also took a group up to the New LIFE Center and spent a few hours stocking the shelves of the food pantry and filling backpacks with school supplies.

Whenever there was a collection or appeal, this congregation gave generously. You offered your time, talents, and financial gifts to sustain our ministries and even start a few new ones! We could not have accomplished all of this without your faithfulness and support.

In 2016, I administered six baptisms, presided over seven funerals and two committals, gave eight children their first Holy Communion, confirmed two youth, officiated one marriage, offered another "Ashes to Go" at the Lynbrook train station, and even did my first house blessing! I continued in my role as chaplain for the Lynbrook Fire Department, as well as my participation in monthly Ministerium meetings of the SW Nassau Conference. I also finished my third and final year of the Region 7 Leadership Guild for the ELCA (aka "baby pastor school"). One of the big highlights for me in 2016 was preaching and presiding at the service for Pastor Chang's 20<sup>th</sup> anniversary of ordination in October. What a marvelous celebration it was!

Of course, no pastor's report can be complete without saying thank you, and while I cannot possibly express my full gratitude to all of you who support our congregation in so many different ways, I'd be remiss if I didn't take a moment to thank at least a few individuals who I work with on a regular basis. First, I want to thank our incredibly talented organist, Judy Pang, who's always ready for any improvised curve ball that I throw her way on a Sunday morning. Very few pastors have that luxury! I also want to thank our choir director, Allison Koehler, who not only does a fantastic job leading our choir, but also takes the time to meet with me on a regular basis to select all the hymns that we sing in worship.

A big thank you to Dotty Criscuolo for serving as our Council President AND the chairperson of our Property Committee. Each of those roles comes with many responsibilities, and it should come as no surprise that Dotty did a great job with both. Many thanks also to Katharine Forte who began helping me with confirmation this year! Her presence and teaching experience have been a welcome addition to our confirmation classes and the Sunday School program as well. Finally, I want to thank our amazing church secretary, Andrea Sommella, who makes my job easier in more ways than I can count. Whether it's putting together our weekly bulletins and monthly Messenger or maintaining the church schedule and all correspondence, her dedication to our church goes far beyond her required time.

The biggest item of business for 2016 was our continued merger process with the Lutheran Church of the Incarnation in Cedarhurst. The joint merger committee met on a monthly basis throughout the year to fulfill all of the expectations required by the Metro NY Synod and the State of New York. Thank you so much to those who served on this committee: Gabrielle Barry, Dotty Criscuolo, Bruce Feltkamp, Claire Lenz, Susan Masciello, Dot Richetti, Anne Sheppard, Crystal York, Starr York, and Pastor Mary Chang. We were very blessed to have the support of our conference Dean, the Rev. Edward Barnett, and the guidance of the Rev. Richard Hill who served as a consultant. We plan to submit our final proposal in the spring of 2017 with the hope that we will be officially approved by the end of the year.

God was very good to us in 2016, and our ministry for the year reflected that. Despite all the questions and uncertainties that came up throughout the merger process, we continued to live and serve by faith as we shared God's love with a world in need. Regardless of what 2017 may bring, I pray that we all keep our trust in God and our eyes on Jesus.

Yours in Christ,

*Pastor Alex*
